

PROJECT MANAGEMENT AND CONSTRUCTION MANAGEMENT SERVICES | BASKING RIDGE, NJ

Nouvelle was engaged to provide comprehensive project management and construction management services for BMG Law strategy management and marketing division in Basking Ridge, NJ. BMG expanded into an adjacent space to grow their strategy and marketing division. Nouvelle assisted with pre-construction services, permit expediting, construction services, coordinated all activities with vendors / sub-contractors and close out.

OBJECTIVES

- Managed the clients expectation in regards to open office feel
- Managed the consultants to ensure the design did not exceed the budget allowance
- Provide a seamless work stream for the client between the vendors and Landlord

RESULTS

- Coordinated clients vision to architect
- Managed budget expectations and material types
- Go between client and vendors to create a seamless approach
